WHY "39 WISHES"

Where Highway 39 meets the river, and your wishes come true

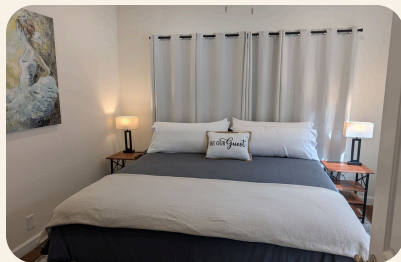

The property sits right off Texas Highway 39 along the Guadalupe, and we wish you the best vacation — that's where the name comes from. This land has been in our family for three generations. My great uncle BJ Sublett and his wife Effie built the main house in 1931, and the room that is now the Guest Kitchenette belonged to their daughter Audrey. We still call it Audrey's Room.

We have worked hard to remodel both buildings with you in mind. Most of the lights can be controlled with Alexa or the switches. We want you to have a great stay, relax and enjoy all that we have to offer.

SETTLE IN

Comfort tips

1

CURTAINS

It is best to keep the curtains on the east end of the house closed. The morning sun hits that side of the house and will really warm up the bedrooms if the curtains are left open.

2

DOORS

It is best to keep the doors closed as much as possible. Keeping the doors closed keeps the cool air in and the bugs out.

3

LIGHTS AT NIGHT

Flying insects are attracted to the lights of the house, so it helps to turn off the lights before opening a door. If they do come in, we've found the vacuum works best to collect them. There is a vacuum behind the front door.

4

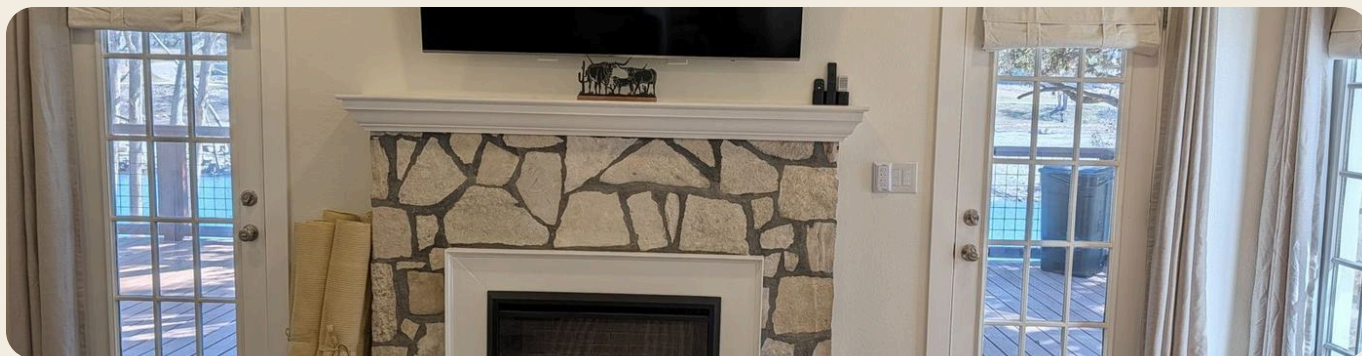

SEPTIC SYSTEM

We are on a septic system. Please do not flush anything other than the toilet paper provided. There are wastebaskets in each bathroom and extra liners under the sink, if needed.

5

RAINY DAYS

When it rains, the dirt around the house is very sticky and tracks everywhere. Please remove your shoes by the door when it is raining.

GUEST REVIEWS

Words from our guests

“

Our stay at 39 Wishes was absolutely wonderful.

Ingram holds a special place in my heart after the time I spent there during the flood response, so coming back was emotional in a way I did not fully expect. Having such a peaceful, comfortable place to stay made the trip feel even more meaningful.

The property was clean, quiet, welcoming, and felt like a little home away from home. It was the perfect place to slow down, breathe, and enjoy being back in an area that means so much to me.

There was something special about this stay, and 39 Wishes became part of those memories for us.

We are so grateful for the experience and would absolutely stay here again. Five stars without hesitation.

Thank you Again to the amazing host. Look forward to seeing y'all again.

Shannon was a wonderful host! Our previous reservation with another host had been canceled due to overbooking. We were left scrambling at the last minute, and we landed in the perfect spot with Shannon. Comfortable beds, fluffy towels, great deck! Our boys loved fishing in the river.
